## Get the Benefits of a Lease in a Loan

### Best of Both Worlds

With a **Your Choice Auto Loan** you can enjoy the advantages of two very different things at the same time – like the lower monthly payments of a lease and the flexible terms of a loan.

This loan option offers you a unique way to get more car for your money. It puts you in the driver's seat of a better car for the same amount of money as a conventional loan.

Plus, with a **Your Choice Auto Loan**, you can sell your car whenever you want, trade it in, upgrade, or keep it and refinance – you choose.

Our friendly loan specialists are ready to help you get the best of both worlds with the benefits of a lease in a loan.

**Stop by or go to [MembersOwnCU.org](http://MembersOwnCU.org) to learn more today.**
