Gift It Forward to Your Favorite Charity

The latest winner of our Gift It Forward social media contest was Aaron Folkerts!

A member since 2007, Aaron won \$250 for himself and \$250 donated on his behalf to Southeast Nebraska CASA. CASA is a volunteer-based organization helping abused and neglected children in Nebraska's child welfare system.

Aaron is a business manager of Twin Rivers Chrysler Jeep Dodge in Beatrice and works with MembersOwn daily to set customers up with auto loans through the CUDL program. The CUDL Program is our stress-free, transparent car buying process connecting car buyers with local, trusted dealerships.

"I know MembersOwn will take care of the customers from everything else that they offer," says Aaron.
